UPFRONT

TEEN DREAM

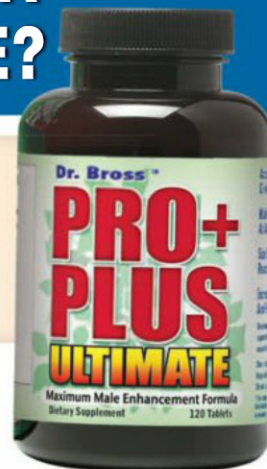

One of the many things we love about our cover girl Dillion Harper is how well she plays the ingenue. Our favorite scenes always feature her on the passive side of seduction, succumbing to the charms of an experienced older man (or woman). Of course, a few minutes into those scenes we see what a great actress she really is as she breaks out a sexual sophistication like few of her contemporaries can. You'll see what we mean once you thumb your way over to her profile on **page 42**. If you can tear yourself away, you'll also see other hot ladies like Danica Dillon (**page 10**); some slap-happy Pet-on-Pet action featuring Presley Hart and super-sexy Tasha Reign (**page 54**); and some eye-opening interracial action featuring Dominican beauty Mary Jean (**page 58**). What have you got to do, but . . . Enjoy!—*The Editors*

Penthouse Goes Down (Under)

The grand opening of Australia's first Penthouse Club in Perth was nothing less than sexy and stellar with a bevy of Australian Pets of the Year greeting 2015 Pet of the Year Layla Sin. "This was the most amazing trip of my entire life!" Layla told us. "I never thought being in *Penthouse* magazine would make me a world traveler! This is a gorgeous club and there are gorgeous women everywhere." Other Penthouse Pets on hand to keep pulses pounding were Tanika West, Jewel Tyler, Paris Morgan, Nikita Sage, Ashlee Adams and Scarlett Morgan. Since the club's kickoff, other American Pets including Tasha Reign and Scarlett have made the trip for feature dance appearances.

Titters And Ass

Angela Sommers rocked the house when she performed two gorgeous burlesque shows at The Penthouse Comedy event at LA's famous Comedy Store. As if that wasn't enough, the crowd was also treated to surprise appearances from comedy A-listers Amy Schumer and Judd Apatow. "I love being here with all of these really funny people," Angela said. "I'm a huge fan of comedy and almost lost it when I saw Amy Schumer! I love her show and can't wait to see her movie." Also on the bill were comedians Godfrey, Kyla Kinare, Joey Diaz, Jermaine Fowle, Ruben Paul and Alex Phillips.

Cam As You Are

The Tampa Penthouse Club got a treat when yummy Penthouse Pets Shay Laren and Kendra Sunderland hosted a screening of the documentary *Cam Girlz*, sponsored by www.PlayWithMe.com and www.cams.com. The pair have become fast friends, getting manipe-di's together while web veteran Shay shows 19-year-old Kendra the ropes on camming. "Camming is probably the fastest growing part of adult now," Shay told us. "Kendra's a sweetheart," she adds. "She's the perfect package: beautiful body, beautiful face and great, all-natural boobs." Also on hand was Sophia Locke, one of the doc's stars and the owner of www.CamGirlMansion.com.

Picture Perfect

No one loves photographs more than a Penthouse Pet, and that's why Aidra Fox and Angela Sommers were thrilled to attend The Amusement Expo in Las Vegas to launch photo booths featuring Penthouse branded images. "This is really cool because it allows you to jump inside and take a 'virtual' photo with your favorite Pet! How much fun is that?"

says Aidra. Using a patent-pending, green-screen technology, the photo booth will be coming to a bar, restaurant or club near you.

Here's Looking At You

It was all about wine, spirits and women when Lexi Belle and Tasha Reign appeared at the Nightclub and Bar Show in Las Vegas to launch delicious Penthouse Wine and Penthouse Spirits. In addition to appearing at a booth where distributors and entertainment workers could sample these intoxicating products, they also hosted the VIP launch party at the Foundation Room at the Mandalay Bay Hotel and Casino. "It was the perfect party! Specialty cocktails, finger food, a tasting room and all those dancing showgirls," the beautiful Lexi cooed. "I'll drink to that!"

FIVE FACTS

DILLION HARPER

Here are five things we bet you didn't know about this month's cover girl:

- Men may be from Mars, and women may be from Venus, but Dillion is from Jupiter. . . . Jupiter, Florida, that is.
- She's the inspiration and guiding light behind *Velvet Sinn*, a graphic novel in which she appears as a superheroine.
- Dillion's fans are called Dillionaires!
- Born September 27, Dillion shares a birthday with Gwyneth Paltrow, Samuel Adams, Shaun Cassidy, *Portlandia*'s Carrie Brownstein and Meat Loaf!
- She's part Cherokee Indian!

DOUBLE VISION

A photograph of two women in a sensual pose. One woman is kneeling and applying a purple lace garter to the back of the other woman, who is sitting. They are in a room with red curtains and a patterned rug. The text 'Rub a Dub Dub' is overlaid on the right side of the image.

Rub a Dub Dub

These girls don't need a tub—or another girl, for that matter. Just give them some lotion, a couple of candles and a little time, and they'll blow your fucking mind.

Brooklynn and Scarlett
may make a bit of a
mess when they get
together, but we'll bet
they clean up real well.

AN ASS BUILT FOR ANAL

(New Sensations) Dir.: Danny Case

Jada Stevens, Britney Amber, Courtney Taylor and Kayla Carerra serve up their asses for the benefit of buttfucking aficionados everywhere. The anal play starts early on, as each actress appears in a studio-set clip, greased and ready to go, pronging her bunghole in anticipation of the bugging to come—and boy, does the bugging come, after some foreplay in the form of deep-throat BJ's and straight fucking. Stevens gets a hard and deep plowing from Toni Ribas, who leaves the DVD's cover girl gaping and giggling (Ribas returns the favor in an entertaining exchange when he laughs through his orgasm). There are of course ATMs up the butt, so to speak, as well as come shots galore to pull up the rear. While the sex play is pretty liberally spread out, ass fans should find a buttload of sodomy to keep them happy.

GIRLS NIGHT

(Wicked Pictures) Dir.: Stormy Daniels
Not only is the Penthouse Pet wattage high in this one—which features Allie Haze, Chanel Preston, Lexi Belle and our girl Stormy Daniels, who wrote and directed—but favored fuckstress Alison Tyler, Asa Akira and Dana DeArmond also feature in this tale of a girly get-together before Sapphic same-sex nuptials. We'll go with Lexi's girl-girl-girler as our fave scene, although Dana's seduction of yoga teacher Sasha Heart and Stormy's Xmas party banging of Asa Akira are up there on the list too. This is cute, funny and sexy, and it beats *Bridesmaids* by a fucking mile.

STEWARDESSES

(Marc Dorcel) Dir.: Herve Bodilis

If you're old enough to remember when "flight attendants" were called by their proper title of stewardesses (and third-wave feminists didn't make a big fucking stink about it), then you should love this around the world trip through some exceedingly friendly skies. Beautifully shot and featuring a cast of lovely and lascivious ladies, this European import follows a crew of sexy stews on a trip to Geneva with some high-flying bankers. The booze and pussy juice flows in almost non-stop sex action, from a pre-flight, bon voyage banging to a final, flesh-tingling touchdown. Discoteques and hotel rooms also host some steamy fucking that will have you flying high in more ways than one.

AXEL BRAUN'S TRASHY MILF'S

(Wicked Pictures) Dir.: Axel Braun

From the opening shot of a cat eating a dead mouse surrounded by delapidated cars and tin sided tract-housing to the final fade to black, it's hard to tell if this is a reality show from The Learning Channel or a piece of primo porno, but given the seriously hardcore fucking Evan Stone gives to Alura Jenson, the way Nikki Daniels takes a dicking in nothing but cowboy boots and chafed knees and the sight of long-time spunk-target Missy Monroe riding—and squirting all over—a throbbing redneck, white-trash, blue-veined tool, we're gonna go with TLC reality show. But the press release says it's an Axel Braun fuck flick, so we don't know. Either way, this one just scu-reeeems white trash, and we wouldn't have it any other way.
